DESKRIPSI

Balangan Wave Resort is an inspired boutique “surf resort” project of 39 one and 9 two bedroom villas. Inspired by the pure joy of being near Balangan Beach, one of Bali’s most perfect surf beaches, in villas designed by one of Bali’s most environmentally sensitive architects who, in turn, has been inspired by the fluid lines and soft curves of surfboard shapes. Balangan Wave Resort creates the ideal opportunity to enjoy the tropical island life style surrounded by like-minded people who are living the dream. Balangan Wave is the genuine “Surfer’s Paradise”, it doesn’t get much better in Bali. Each Two Bedroom Villa is fully furnished with the contemporary Balinese style design using a high roof structure with a split-level featuring a bedroom and studio that can accommodate an extra bed. Step down to the bedroom, step up to the living room, jump into your own plunge pool or lounge in your own tropical garden.
